### ***Pool Schedule for Non-Summer Operations***

***Most pools will close for 3 ½ months during the year***

**San Diego** – Effective September 6, 2005, 9 of the 13 city pools will close for 3 ½ months during non-summer months of September 2005 through June 2006.

The closure schedule is listed below and applies to the current fiscal year only. While pools will be closed throughout the non-summer months on a rotational basis, Park and Recreation Department staff is committed to keeping half the pools open during the most active times of the year to ensure that the public have access to aquatic facilities when they need them the most. In addition, four pools will continue to operate year-round: Clairemont Pool, Ned Baumer Miramar College Aquatic Center, Memorial Pool and Vista Terrace Pool. All pools are subject to closures for necessary maintenance at any time during the year.
